

VCF LP - General Update

February 28, 2020

Harvesting:

Mickelson is harvesting on blocks W26, W27 and W28 up the Westridge. Wood sold to Carrier and Canfor PG. This should take him to the end of winter.

Plummer is harvesting SC14 up Swift Creek. Fir to Larry Simpson, Tolko and spruce to Carrier.

Joe Nusse is working on douglas fir salvage logging on the 5-mile bike park area.

Roads:

Spaz has completed logging right of way and building road into WC06 and WC01A up the West Canoe and is now logging and building a 2km road into W30 up the Westridge. All these blocks are hemlock leading.

Planning/Other:

VCF staff are recc'ing wood over mainly K2T and completing some road and block layout.

Year end audit.

Forest Licence:

Working on CP2 submission. We are close.

Grants:

Nothing to report at this time.

Silviculture:

Working on results reporting.
