

## **VCF LP - General Update**

April 30, 2021

### **Harvesting:**

Waiting on VIP mill needs and markets before we make a harvest plan for spring 2021. We have lots of options with different wood types on pre built roads. The value of prebuilt roads is invaluable.

### **Roads:**

Working on program for coming summer season.

### **Bridges:**

Alpine has been contracted to install the Upper Canoe bridge in June. Working on bridge upgrades for two bridges up the Westridge.

Spaz is under contract to install a bridge up the Dave Henry.

### **Planning/Other:**

Greenstar is working on some new layout up the West Canoe and woodlot.

VCF staff reccing areas for future layout.

Woodlot: A management plan and cutting permit has been submitted. Planning to build access road into woodlot and harvest 10,000m3 plus to some road right of way this fall.

Working at developing VCF policies.

Brian Shawara is attending a scaling course in Burns Lake for roughly 1 month starting April 26.

Telus will hook up fibre optics to office when the install the proposed cell tower.

### **Forest Licence:**

Working at submitting CP 3 and 4.

**Grants:** Nothing

### **Silviculture:**

Tree planting has started. 500,000 trees are planned for the season.

Brushing has started. Roughly 100ha are planned for brushing mainly targeting deciduous species.

**Financials:** Year end audit ongoing.
